BOARD MOTION OF JULY 7, 2015, AGENDA ITEM 21 SAN GABRIEL VALLEY AIRPORT APRON PAVEMENT REHABILITATION PROJECT – OCTOBER BOARD REPORT

On July 7, 2015, the Board directed the Department of Public Works in cooperation with the Interim Chief Executive Officer to meet or exceed the Federal goal requirements for minority and female participation in the San Gabriel Airport Apron Pavement Rehabilitation Project and report back monthly as the project moves ahead during the 100 days of construction.

Public Works included language within the contract documents requiring the contractor to offer to meet with the following three job placement organizations within the local community: the Foothill Workforce Development Board, the Los Angeles County Workforce Investment Board, and the Goodwill Career Resources Center.

The lowest and most responsible bidder was selected on November 12, 2015, and the contract is expected to be finalized by early December 2015. Shortly after the contract is finalized, the contractor will engage in the above-described outreach. Construction is expected to begin in early calendar year 2016. Consistent with the motion, we will continue reporting progress to the Board each month.

If you have questions, please contact me or your staff may contact Richard Smith of Aviation Division at (626) 300-4600 or rsmith@dpw.lacounty.gov.
